WATTLES & SHEAFER, JEWELERS.

37 FIFTH AVENUE.

TO-DAY AND ALL THIS WEEK WE SHALL CONTINUE CLEAR THE SHELVES OF ALL DRESS GOODS SUITINGS

as the new importations are now arriving.

Such Double Width Imported and American Dress Goods and Suitings and Novelties at 25, 40, 50 and 75c the ladies say they have never seen.

50-inch Suitings and Mixtures at 25, 40, 50 and 75c; these are at rear of store adjoining the bargain Broadcloths.

50-inch Imported Goods at \$1, real value \$1 50; their equal you have never seen; the price is \$1; the colors are choice.

One case 16-inch Silk Pushes at 25c; just half price, but they are all Terra Cotta shades and they'll go quick at a quarter.

27-inch Black Silk Costume Velvets (or to make velvet sleeves or trimming if you wish) at \$2 50 and \$3; too many of these fine goods and the "surplus must be reduced;" the Velvet and Push Shelves must be emptied to a great extent to make room for the new India and Wash Silks, of which we open 200 pieces to-day, surpassing in distinctness of style, quality, and coupled with our usual low prices, are worth your attention.

Fashion predicts a large demand for the new Wash striped India Silks and Surahs, and deservedly so, as these goods are very stylish; others beautiful in their elegant simplicity.

Some \$1 50 Paris Silk Novelties marked down to 75c, and some other lots of choice ones at \$1, \$1 50, \$2, \$3 and \$4.

Dollar Black Silk Armure Royales at 75c.

One case Black Silk Surahs at 50c.

24-inch Black Silk Surahs at prices, for fine goods, that are much less than you can buy them for in April or May. Elect for yourself whether this is a good investment or not. We invested in several thousand yards, because of the great bargain, and we propose turning them out at such prices as will make a stir with the public.

SILK DEPARTMENT.

Fine, elegant 24-inch Black Surahs will do it, and the bargain Black Silks shall assist if prices and quality will accomplish it. They have never failed to do so with us in the past 20 years, and we know they won't now.

The complexion of the Dry Goods business, so fashion says, is "Scotch"; it has been quite "English, you know," for some time. We open to-day some advance styles of Dress Goods and Suitings that are French, German, Scotch and English, our own direct importations, and one particular lot that are 50-inch Scotch Cheviot Stripes, made in America, and when they are made here we believe in saying so. The remarkable part of it is 50-inch wide at 50c, new and stylish; if they had come across the water or had a foreign ticket on they would sell at \$1 25, and there will be goods sold this season at \$1 25 and \$1 50 that have no more style and possess no more merit than these do. If you prefer the \$1 to \$3 kind they will be here, and some are opening to-day.

The Cloak Room Bargains—no, not that—sacrifices that are selling hundreds of fine garments daily, this week is to be effective in clearing the Cloak Room.

Several hundred pieces new Zephyr Gingham, Anderson's celebrated, and the choicest yet shown; and the 4-4 American and Scotch Zephyrs, that are great rivals of Anderson's; at 25c; 500 pieces of these for selection.

Our particular 3-4 Zephyr Gingham, extra fine, at 15c, gotten up expressly for Misses' and Children's Dresses, is the greatest Gingham card; dainty, fine and medium styles, 15c. All these fine Gingham are at the center counters in Dress Goods and Silk Room.

THE RESULT

of stock taking just ended disclosed too many of Ladies' straight Goat Button Boots. This Shoe is more applicable as this season than in mild weather, therefore it's wise to suffer a loss now, let it be great, than carry them over.
